Velociraptors HECKIN Rule!!! ❤️✨🦎 @blackraptorex

Made some more fankids but this time for da main trio ABC, they decided that it was time to have kids of their own and raise them. So they adopted 3 children, Cylde 🟡, Steven 🟥, and Travis 🔷 who are quite opposite to them.

Velociraptors HECKIN Rule!!! ❤️✨🦎 @blackraptorex

K and V's kids 𐤕 (Pierre) their biological child and ך (Bluet) the adopted child, Pierre is rather adventurous one who is often curious with everything while Bluet is more timid and often follows him around.
